Sir,

Adverting to Government Proceedings No. 5629-36 Cir: 37 dated 27th June last, I have the honor to forward herewith the impressions of the Seals now in use in the Courts of the several Magistrates of the District.

The Seals of the Courts of the Taluk Magistrates of Hassan, Arkalgud, Hole Narsipur, Cheneraipatna, Arsikere and of the Grama Sub Taluk are made of Brass. The Seals of other Courts including mine are made of Rubber.

The Mussiffs of Hassan and Hole Narsipur ——— report that they have no Magistrate's seals. I therefore request that Sanction may be accorded for the purchase of two Rubber seals bearing the impression of "Court of the Mussiff and Magistrate 1st Class, Hassan", and "Court of the Mussiff and 3rd Class Magistrate of Hole Narsipur" on the respective seals.

(19)

Sir,

(to be obligingly returned)

In forwarding a file of correspondence relating to the subject of seals now in use in the Several Courts in the Province; I am directed to state that it will be observed from the patterns submitted, that at present there is a variety of seals adopted by different Courts in the Province that it seems to the Govt desirable, that some uniformity

obtained

should be observed
that descriptive words
on each seal should
be both in English
and Canarese, & that
seals for the same
class of ~~Courts~~ officers
or Courts should be
of same size, and
of different sizes &
for different classes
of officers or Courts;
that each seal, to
whatever class it
may belong, should
have the mysore
Coat of arms inserted.
It is a question whether the
~~and that~~ seals should
be made of brass
in preference to
~~Sealing~~ wax instead
of rubber which
is perhaps
is less durable
material Note It is intended that the letters on the seals
should be in relief
for impression with ink.

2. I am to request that the Judges ~~will be~~ so good as to favor the Govt with their views on the subject generally, and submit patterns of the device and size of the various kinds of seals which they would recommend for adoption by different classes of Courts or Officers in the Province, together with an estimate of the probable cost of the same.

3. It is believed that ~~no~~ Indians can make good seals with the required engravings. Can be made by some

Respectable local firm such as Maclean &

When I was in Montreal, I spoke several times to Mr. Lovell -- & mentioned it to Mr. Workman & he did not think it would be satisfactorily done

I have the honor to state that as per instructions of the Chief Court conveyed in their Proceedings No. 4837 1/2 / 3092 1/2 dated 10th April 1895 in regard to the cancellation of Court-Fee Stamps by the impression of a seal to be supplied to each Court out of the Contingent allowance of the said Court- 14 rubber seals at Rupees 10/- each were indented for and obtained from Messrs Bloomfield & Bangalore, and the same supplied to all the Magistrates in the District.

But the Assistant Commissioner and some of the Sudder Magistrates Sooner Magistrates have stated that their Contingent amount being limited they were unable to pay the cost of the stamps out of their contingencies. This is true to some extent.
